Recruiter Coordinator and Operations

March 2022 - August 2023 (1 year 6 months)

Los Angeles Metropolitan Area

Otter | FutureFoods | Kitchen Valley | CloudKitchens

Top performer on the team multiple months. (highest volume in the team
quarter over quarter, best SLA company wide for 4 out of the 6Qs that I was
graded)

Employee of the month, recognized during company-wide All-Hands, Jan,
March and July '23

Scheduled over 3000+ interviews with high level stakeholders, team leads,
department heads and C-suite.

Lowered no shows numbers by 90% from my start date to my last day.

Built and owned (and presented to TK) a recruitment process for high volume
positions enabling the team to interview a constant amount of candidates
without losing candidates during the process allowing us to conduct up to 30
interviews per day multiple times a day. Left the process ready for the team to

take over, trained and developed materials so that the system was sustainable with minimal human error.

Trained and Onboarded more than 10 new RCs.

Lead weekly meeting with Sourcers to calibrate profiles, and acted as a "bridge" between the sourcing team and the hiring managers.

Data Compliance Dashboards for several Recruiting Teams.

Coordinated international projects that impacted everyone in Recruiting.

Conducted interviews to fill relevant team roles.

BairesDev

Executive Search Consultant

August 2021 - February 2022 (7 months)

Worked as a Search Specialist for BairesDev, reviewing and adding over 250,000 candidates corresponding to different technical profiles (Front-End, Back-End, DevOps, Java, Python, etc).

Validated over 450,000 profiles during my time at the company, became a master creating filters in LinkedIn Recruiter using Boolean searches.

I was the only one on my team (out of 10) to source and contact C-suite candidates, creating a full cycle experience from research to offer creation.

Within the team, I was in charge of training newcomers and showing them the ins and outs of the process, gave over 30 trainings in the course of my time at the company

Working with the top 1% improving on different processes that helped the company grow and connect with more people around the globe.

Education

Universidad del Valle de México

Bachelor's degree, Psychology · (August 2019 - December 2021)

Universidad Iberoamericana, Ciudad de México
